

March 2012

Dear Pastor and friends,

Greetings in the name of our Lord and Saviour Jesus Christ! It is hard to believe that we are just about through the first quarter of the year. God is blessing and giving us new meetings and allowing us to start visiting all our supporting churches.

Thank you all who have responded to our request for prayer and funds for our upcoming trip to Africa in September. Right now we have received approximately \$1,000 of the needed amount of \$8,000 to \$10,000. We have been promised another \$1,000 in May and that along with a few hundred more will cover our airfare unless it goes up.

We are praising the Lord for our oldest son Scott getting a job and for an upcoming promotion to Sgt. 1st class for our youngest son Bryan. Please put Bryan and his family in your prayers as he will be deployed probably within the next month.

Brian Kaoma one of the men trained in Zambia has been in Malawi now for nine months. Since his arrival there last May, he has seen the church he is helping grow from 11 to 56 people and has registered 30 children for Sunday school. He has also started a Bible Institute with 22 enrollments.

Two nationals' pastors from Botswana are preparing for us to teach and preach to 100 new converts. They are also involved in working with local officials in Mochudi to try and get the church we started many years ago to get back on its feet. The previous pastor went into sin and is trying to sell everything of the churches to others including property and buildings.

Every year for the past 25 years, we have had a VBS at the Kafulafuta Mission which is part of the annual Bible conference. We have had up to 2,500 children at one time attend to be feed spiritually and physically. Last year there was 1,800 in attendance. Many of them are sick with malaria, malnutrition, or HIV. For many of them who attend it may be their first and last time. Many come only to be feed physically because it is the best meal/meals all year. Every year it gets more and more expensive to feed them and get them there. I AM Ministries is starting a fund raising effort to help these children called "Feed the Children, Spiritually and Physically". For many of them, if not all of them, we are their only hope! If you have a Christian school and would like to be part of this project by holding a 'Feed the Children Silver Drive,' please contact us. All the proceeds raised after deducting the minimal cost of having the drive will go to feeding the children during VBS at Kafulafuta and other VBS's in Africa that we partner with. Looking forward to hearing from you.

As always thank you for your prayers, finances, and partnership in reaching sub-shara Africa for Christ.

Dennis and Sue Anderson
