“How shall they hear without a preacher” Romans 10:14

January - March 2012

Dear Pastor and Church Friends,

So many things have happened since our last letter. Five deaf teens got saved because of our van ministry. We really need a van driver who can drive every Sunday. Please pray for this big need. We went to National Christian Deaf Basketball Tournament in March, and one of our deaf teen got saved!

Update news about renovating the church building – we are very thankful for the work teams from different churches and organizations that have helped us so we could keep the costs down. Since January, we have installed HVAC, plumbing, electric and deck. We are about 60% finished, and God has bless us so much with our financial needs. We still need about \$50,000, but last December it was \$90,000 because churches/people donate money and people volunteering their time to do the work on the church building. Please continue to pray as we push to finish doing the renovating of the church building.

We have been putting pictures of renovating the building on Facebook; look for Deaf Baptist Church under “places.”

We appreciate your prayers and support and donations for the Deaf Baptist Church building.

In Christ's love,

Bruce Kelly & family
