Ministry Update

Our family conference in January was a great success! It was great to have Dr. Charles Shoemaker with us for the week. The practical teaching was a blessing to all. Despite the temperature being -40* with wind chills around -60* we had good attendance with several first time visitors and one salvation decision on the last night.

In March we held our first missions conference. Bro. Tom Graham and his wife Cherie from our sending church in Missouri were here for the week. It was their first visit to the Arctic. Our preachers for the week were Bro. Graham, Bro. Gary Forney from Points North Baptist Mission, and Bro. Todd Holland on deputation to the Sahtu region of the Northwest Territories. We also had special music and testimonies from some of the ladies in our church as well as Mrs. Graham and the Holland family. It was a great week.

Last year we began our faith promise mission program and have sent out over \$14,000 in missions support. This year our promise was \$20,000. We plan to begin supporting 2 new missionary families in May.
