Reviving Baptist Churches
(A CHURCH RESCUE MINISTRY)

April, May, June, 2012

Dear Praying Friends,

I am happy to report that The Abundant Life Baptist Church of Naugatuck, CT. has a permanent pastor. We ordained Brother Mark Passmore on February 13, 2012. The building was full with every seat taken. There were six men on the ordination council that met with Bro. Passmore an hour and a half before the service. It went very well with every question answered with authority and with Scripture. It was a unanimous decision to proceed with the ordination service. A great charge was given by Bro. Barry Brown of Central Baptist Church. The church presented him with a very nice wide margin Bible. We had a wonderful time of fellowship and refreshment after the service. Our last service as pastor was March 4th. The church voted on their new pastor and we trust that it will be a lengthy and happy union. We were at the church for sixteen months and two winters in Connecticut, one of which we will never forget. It was a fulfilling ministry with positive results that left the church in good condition for the new pastor. As always it was hard to leave a church that we worked in and saw God working and good things happening. One day there will be no more good bye's. Even so come Lord Jesus.

Even before we left Connecticut I was checking any leads that we heard about for our next church to help. If we stay in the northern states we will probably sell the camper for we learned the hard way they are not made for winters like we experienced in New England. I have heard of a few churches that will need help at a future date but not at the present. If you know of a church that is without a pastor now and needs help please contact me. (678-332-4693)

At the present time we are temporarily filling in for a Missionary / Pastor in Alabama. We will be here, Lord willing, for about three months. Hopefully even before we are finished helping here we will know where God wants us next. Help us pray for God's perfect will in our lives and ministry. We have lost much support due to the economy and Pastors and churches not seeing the need in the United States. The United States is a needed mission field with needs everywhere. In our contact with churches and pastors we see a great need for new churches in so many areas, especially out West and in New England. There are also many churches that can afford pastors that are still without one. **WE NEED QUALIFIED PASTORS!** If we lose our base of local churches supporting missions we won't be sending any more new missionaries and the old ones will have to come home for lack of support.

Mt 9:38 Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.

Lu 10:2 Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.

I know the Lord is still calling laborers to His harvest, but many Christians are not answering His call. Thank God for churches that are presenting the need and training servants, then sending them out to their harvest field.

I thank the Lord and our faithful supporting churches for the financial and prayer support. Please continue to pray for the Church Rescue Ministry.

In His Service,

Bro. Nye
