Dear Praying Friends,

The fall season is upon us and with that we had the wonderful privilege of hosting our annual Gospel literature booth at the Laguna Fiesta. Hundreds received a gospel witness, and God sent people our way that encouraged us. At the fiesta we had a young lady come up to us, and said she met us 18 years ago, and had received the Bible literature. She was from the reservation area, but had moved away. She told her story how she got saved, and her mom later on got saved. Another person came up to us, and told us they listen to our weekly radio program. Others mentioned how they have read our articles in the local paper. I believe we are God's spiritual farmers planting seeds, and sometimes God allows us to reap where we've sown, and sometimes we reap where others have sown. God is so good to allow us the privilege of serving Him. We had a good group from the church helping out. Please pray for those who received the literature. Pray for Dennis and Trisha. This is a couple from Florida that are here till December. He just retired and wants to be a helper in ministry, and they were a big blessing during the 2 day outreach in Laguna.

Not too long ago after a Sunday school message a young man by the name of Jacob came up to me, and told me he believes God is calling him to preach. We have seen this young man grow up in a home where his mom and dad divorced, moved several times, and just finished high school this year. When his mom didn't bring him to church his aunt brought him. He has dealt with all sorts of domestic issues having to live with brothers and sisters who drank liquor. Praise God the Lord is still on the throne and calling out a people for His name! This young man (pictured above with his mom) has a total different attitude. Since the day he has confessed that God is calling him into ministry he has kept busy helping us in ministry. We are meeting with him and going through a discipleship course right now. Pray that Jacob will get a job soon, and that he will continue to grow in the knowledge and wisdom of God.

Thank you for your prayers for our family on I-40. I was driving the church van recently on a Sunday morning, and right in front of me an SUV drove into the medium and flipped over. We barely missed it. God's holy angels were busy that morning! Please continue to pray for Andrea and Darlene. They are both doing okay in college and sorely missed. Rita is about to restart her piano lessons, and is enjoying being the only sister in the house for now. Tricia has rearranged her home school setting, and believes its helping out more this year. She attributes it to more accountability with our 3 students. Pray for Tricia as she continues to meet with ladies for their monthly fellowships. The boys are right in the middle of their soccer season, and it's tough schedule. Pray for the salvation of their team mates. Thank you for all your prayers and support for the work here. Thank you so much for your cards, letters, and words of encouragement. It is always good to hear from you.

All Because of Jesus,

Byron Sarracino Family

**Prayer Request**

Conference with Larrie Bunyun this week  
Patch Club

Workers for church nursery

Health Insurance issues

Finances for college

Safety on I-40

Salvation of Anson, Pat, Adele, Marlee & Ben

Perkins Family-God's will for ministry
