

THE SHERROUSE FAMILY IN BRAZIL

“...They rehearsed all that God had done with them, and how he had opened the door of faith unto the Gentiles.” Acts 14:27b

Dear Friends and Churches,

APRIL 2012 REPORT

Wow! How time flies, and how so much happens in a short time! In the month of March we saw a total of 9 souls saved. Four of which were led to the Lord on the street, during our street-preaching ministry. Then four were saved at church, and one was led to the Lord on visitation.

The one that was led to the Lord on visitation is the husband of one of our church members. The church had been praying 3 years for this man to accept Christ as his Savior. Then one Wednesday night out of nowhere he came with his wife to our Bible Study and Prayer Meeting. Later I went and visited him at home, and where in the past he had seemed cold, that night he was real open. There in his living room he accepted Jesus Christ as his Savior. The next morning, on Sunday, he was in church with his wife and son!!!

All of the souls saved during street-preaching were grown men! One told the brother that led him to Lord, “This is just what I’ve been looking for. You don’t know how much I need this!” Another man who was saved had come up to me and requested one of the gospel tracts that were in my pocket. I gave it to him and he sat down near where we were preaching and read the whole thing. When he was done Rafael went to him and led him to the Lord.

Right now we have four young men that street-preach. They are: Guilherme, who’s 20, Martinho, who’s 20, Rafael, who’s 25, and Bruno who’s 26. Thank God for these young soldiers of the cross! Below are some pictures of us street-preaching.

The other day a brother in our church called and told me that he was at work and was just thinking of how much the Lord had changed his life since he trusted Jesus Christ. He said while He thanked the Lord first and foremost, he just wanted to call and thank me as well. Truth is we wouldn’t be here if it wasn’t for your support, so I’ll pass Adriano’s “thank you” on to you. Thanks for remembering us in your prayers and by your financial support!
