WONSER FAMILY UPDATE:

APRIL 2012

LOOKING BACK:

In 2008, the men of the Cebu City Jail began praying that someone would start a Bible Institute for the 3,000 plus inmates in their institution. That same year, God answered these inmates desperate cry by calling our family to come to Cebu City!! Pictured to the right are 21 men that were recently baptized by a national pastor & 17 men that completed their second set of Rock of Ages Discipleship Institute lessons. Last month, we met five prisoners that now attend different local churches in the Cebu City area as a result of our ministry in the institution!! We are extremely thankful for everyone who has prayed and sacrificially given to help our family fulfill God's calling to these precious people. These men are living proof of missions in action!!

LOOKING FORWARD:

Last month we were blessed to have Ms. Robyn Wonser (Mike's Mum) visit with us for three weeks. She was able to spend some precious time with Dixie Mae, Annabelle & Landon & helped with our ministry outreaches. During the same time, our Rock of Ages ministry partners (The Randy Childress Family) arrived in Cebu & have already settled into their new home. Victoria & Mrs Kellie Childress have been friends since they were children. Twenty plus years later, our children are ecstatic that the Childress' twin 10-year-old boys have arrived in Cebu to serve God together with us!! Please pray for the Childress family as they adjust to their new life in the Philippines & learn the Cebuano language and culture.

LOOKING AHEAD:

Many people have asked for an update on our vehicle fund. We praise the Lord that \$7,000 of the \$10,000 needed for our vehicle has been committed at this time!! Our family has been humbled at the response of our friends & supporting churches that have given to this great need. Please pray that God will send in these commitments & supply the remaining \$3,000.

II Cor. 4:5 "For we preach not ourselves, but Christ Jesus the Lord;"
