

SEPTEMBER

Dear Partners,

Last Sunday a little elementary aged girl dressed in a beautiful green fabric with small silver hoop earrings entered the church. She came from a little area down the road. Her name is Blandine. She lives on the beach and on Sunday morning she gets up, gets ready and comes to church solo. She listens quietly to the stories told of David, Isaac, Abraham and others. When church is over she walks home again, alone, and recounts the stories to her Mom. Thank you for sharing in her story. Thank you so much for your prayers!
