Olympian Games

Praise the Lord for 9 children who accepted Christ as Savior at an Olympian Games event in Sebring, FL. There were 40-50 children playing games, running on inflatables and having a great time on Saturday. When the Gospel was given several children indicated they prayed to receive Christ. One young man was a visitor who had been invited by his friend Matthew. When the counseling time began, Matthew went with his friend to the counseling room to talk about his decision. Praise the Lord for the power of the Gospel.

Archery Tag

Praise the Lord for several students saved at Archery Tag events. At Cornerstone in Inverness 3 students received Christ during a late night archery tag event. Diana, one of our Bible Institute students who has a real heart for the Lord, led 2 girls to Christ. Another BI student, Casper, led one of the guys to Christ. This was after the message was given and while archery tag was being played. What a blessing to see students reaching students.

VAN Matching Fund

Great news! We have a **matching fund** for our van. For **every dollar** we raise from now to the end of the project **will be matched one for one**. If you could help us with this project it would be a real answer to prayer. Our current vehicle has over 166K miles and with a larger area to cover now, it's time to replace it.

Our plan is to send the KIA to Alabama to be used by a new missionary couple who just came on staff in January. The sooner we finish the project the sooner they will have ministry transportation.

If you have questions, please let us know.

Cell: 813-781-5836 or email us at: aanderson@wol.org

Thank you in advance for your help with this project.
