

June 2018

Dear Pastor and friends,

Greetings in the name of our Lord and Saviour Jesus Christ! Sue and I hope and pray that everything is well and the Lord greatly blessing.

Since our last prayer letter we have been very busy with doctor appointments. Please pray that we can get some answers on what is going on with Sue and approval from the VA to increase my disability for a few new things that have developed from my present disability.

In July we are going to attend a wedding for our niece and also spend time visiting family including my mom. Please keep praying for her health. She is doing very well for her age and still lives by herself. God is so good!!

August and September will put us on the road visiting more of our supporting churches. We have scheduled or contacted all but five churches. We ask that if you have not heard from us for some reason please contact us at 352-455-4049 or at [revanderson847@gmail.com](mailto:revanderson847@gmail.com).

I will be going to Botswana for 3 weeks in October to make sure our permits are not canceled. I will also be planning dates to take a Discipleship Leadership training team and VBS youth team over. We have a group that is interested in going for the VBS to use puppets and then teach people how to use puppets for ministry. The African youth love visuals. Also there are some people I need to follow up with. Please pray for this trip and if you can help in any way financially, it would be greatly appreciated. Airline tickets cost \$1,300. Housing and transportation have already been provided. My goal is to raise at least \$2,000 to cover fuel, food, some possible lodging expense for trips to distant villages. Anything you can assist with will be greatly appreciated.

Sue and I will be celebrating our 50th wedding anniversary on the 26th of October. Praise the Lord for my Virtuous Woman!!

The Cell group we started after we left is back going strong with 10 to 12 attending. More are so much needed there!

**Prayer request:**

1. Wisdom and health as we continue serving the Lord.
2. Healing of Sue so we may both return to Africa.
3. Continue good health for my mom.
4. Our grandkids, especially our 2 oldest as they prepare for the final year of high school.
5. Souls to be saved and lives changed as we travel here and aboard.

Thank you as always for your continued faithful support of the ministry God has given to us these past 30 years.
