Pastor Terry Bishir

Dear Pastor Sheffield & Church Family:

Greetings from Ohio. We have been very busy the past two months first we had complications getting a Nursing home for Margret. Two weeks before her flight Otterbein Nursing Home, Lebanon, OH called Donna asking her to come over they wanted to see her. The end result was they rejected Margret and gave Donna all the paper work from Texas. I had closed Texas Medicaid so she could not stay in Texas there was no place for her to go. That day in the afternoon Donna contacted Laurels of Milford Nursing Home in Milford and they had room for one more person in their memory unit. After reviewing Margret's condition she was approved, Praise the Lord !!! this is the location we wanted her close to Donna and her family. (Rom 8:28)

July 31st Donna, an RN and one helper flew with Margret to Ohio. The flight was 12 hrs with about a 90 minute break to change planes halfway in case Margret had problems. It was a miracle of the Lord for her to move without having problems. They flew Southwest Airline the condition Margret is in could have grounded the plane. She did great on the trip. Thank you for joining us in prayer. We have a great God who answers our prayers.

I am in Milford living in a small RV. Please continue to pray for us that the Lord will meet our expenses and open the door for me a place to live. I am grateful for the area churches giving me a place to park as we look and wait on the Lord to provide our need. The cost for moving Margret was a little over \$2,500.00. That does not include my transport expenses. Margret is adjusting well in her new home. Praise the Lord!!

Mauricio Villarreal moved to San Eli August 1st. The church had 110 in attendance last Sunday and a lady baptized September 2nd. They have been running near 100 since he came.

I will be continuing to minister in the Bearing Precious Seed Ministry along with training men as the Lord has used us from our beginning in 1974. Our teaching will be on line as we have been doing with students now. As you know I am teaching my grandsons Chris and Seth. Chris is Pastor in Broken Arrow OK, the church is running around 40 in attendance. Seth has his support raised and is leaving in November for Uganda, Africa.

Margret and I are grateful for your faithfulness in prayer and support as we go through this difficult time in our lives. We praise the God for His faithfulness taking care of us and ministering through us according to Romans 8:26-28 and related Scriptures, John 14:27, Ps 46:1-2, Is. 26:3 & 40:31 and many others.

Because He lives,

I will receipt you next prayer letter.

Dr. & Mrs. Collins

Dr. & Mrs. Verlis J. Collins

Thank you & God bless you!
