## MISSIONARIES TO GUATEMALA

September 2018

Dear Pastor, Family, and Friends,

On September 15th, Guatemala celebrated their Independence Day. They are 197 years old as a country. Every time I think about a country getting their freedom, I think about how we are free in Christ. John 8:36 says, "If the Son therefore shall make you free, ye shall be free indeed." Even though they are politically free from any other country, I wonder how many people are free from their sins. Pray as we endeavor to see people saved, young men trained, and churches planted all over Guatemala so that many can be truly free.

The family is doing well. Jordan is working hard and studying diligently in the Our Generation Training Center. We are so proud that she is endeavoring to serve the Lord in the work of Missions. Abigail is now a junior in high school. It is hard to believe our youngest is almost 17 and won't be at home much longer. Please pray for both of our girls, that God will send them godly men, who will love and lead as Christ would.

We would like to ask you to pray for a very needy area just outside of Guatemala City called Mixco. It has a population close to one million and almost nothing being done as far as the gospel is concerned. It's our desire to see several churches started in this part of the city. Will you please pray with us about this matter.

As always, thank you to all who pray and give to make our ministry possible. May God bless.

Your Missionaries in Guatemala C.A.
