## Taking the Gospel to the US Military in South Korea

This year, our church experienced more ups and downs than any other time in the past. But God is still in control of governments, North Korea and earth quakes. Let me share with you how God blessed and is still blessing in our church!

**In October**, we said "Fare-Well" to one of our Air-force families with 3 kids. Ryan and Beverly returned home to adopt 7 children of Beverly's sister who died recently. Please keep them in your prayers as they undertake this enormous responsibility to raise 10 children for the Lord. Our Friendship Sunday and the Candy Buster Sunday was a big hit to grow our children's ministry. For our church fall picnic, we went to our building landlord's farm to help pick persimmons and enjoyed an outdoor BBQ.

**In November**, a military family (Slade and Samantha and two kids) joined the church. They jumped right into serving in the church. Slade serves as usher and Samantha is teaching our toddlers class, serves in the nursery and is leading the children's Christmas Cantata for this Christmas. Our church Thanksgiving Celebration was our "Family Praises Service and we enjoyed a Thanksgiving meal after the evening service on the 19<sup>th</sup>. It is always a real heartwarming time for our church family. Bro. John and Sarah (our Koran members) have been with us for over 9 years. Since they have been with us, his mother, two sons and daughter in law have been saved. Now, they are bringing their grandkids to church. To God be the glory, they gave praises to the Lord with their grandkids on Thanksgiving. Please pray for them as they seek to lead their grandkids to the Lord.

**In December**, God added another military family to our church. Bro. Allen and Anna Christian and their two teenage children joined the church on the 1<sup>st</sup> Sunday. Phil and Jennie dedicated their new born baby to the Lord on the 2<sup>nd</sup> Sunday. God saved two Filipino men and they were baptized right away. Our Filipino members rejoiced over God's blessings to their own people here in Korea.

We enjoy God's blessings here because of your faithful prayer and support. Thank you for holding the rope of faith, so we can reach souls here in Daegu, South Korea.

Merry Christmas to you all!
