Greetings from South Korea! The hottest summer in Korea's history is over and we are now in the Autumn season. Thank God for turned off the heat and turning on a cool breeze! God is so good to us in every way!

In July, On the 4th, we celebrated Independence Day With a BBQ. The whole church enjoyed it tremendously. Many vistors came and we were able to sow the Gospel seed. And the very next day, we had to say "Good bye!" to our sound man, Brandon who went to Bible college in the US. We now have a teenage in the soundroom and he is still in OJT mode! We also had a suprize visit from one of our old church members, Kim Tatum and the Maricles, our missionary family in China. Everyone enjoyed having them in the Sunday Service and they brought a refreshing air to the church.

In August, we went out to the milistary bases to pass out gospel tracts almost everyday to catch new families moving in our area. We had many new vistors but a lots our folks were on leave so our church attendance was very low in the month of August. But our Sunday School classes still continued. Praise the Lord!

In September, we started the Fall semester for FBI (Faith Bible Institute) with elveven students that included two military couples, a military officer and one military spouse. But both military couples; Allen & Anna and Joe & Amanda will be PCSing in October and November. Please pray for them to stay faithful in serving the Lord and that they don't loose focus on studying the Word of God after their return to the US.

Family News: Our son, Eddie purchased his first house in his own country. The reason this is exciting news is that our son grew up every where in the world but in America. He also lived in South Korea helping us in the ministry while working on base for over 16 years until April 2017. To our son, America was a foreign country to him. That is why, we are so excited see him adopting to life in America and getting settled with his wife and three kids. Also, it is a joy to announce our 4th Grandchild that is due in early Feburary. God is Good!

A Special Prayer Request:

1. We reach more new Military and DoD Civilian families in our Community.
2. Workers needed; We are loosing many SS teachers and Nursery workers.
3. A Translator for our Koreans

What a privilege to take the Gospel to our Military serving in South Korea!
