

Dear Pastor and Praying Friends,

Nov/Jan 2016/17

The 2016/2017 school year has began and has been very busy for us. Between language studies and ministry opportunities we do not get much spare time but, we are thankful for the busy schedule.

I have been witnessing to a gentleman who owns the local auto parts store here in the city. He has been taking his family to a Jahova witness church on Sunday mornings and he is begining to question their teaching. He has agreed to bring his family to our house once a week for a bible study. We are going to begin our study in November. I am very excited for this opportunity and praying for their salvation.

We are asking if you could please continue to pray for the work in Tacoaleche. This village is a very hard one to reach with the gospel. The two major obsticals in this village are the Catholic church and the drug cartel. We have been visiting another village, Pozo de Gamboa, as well It is a small village in great need of the gospel. They seem to be very receptive of the preaching and to there being a Baptist church in their village.

As most of you know our daughter Kirstein and her husband have been expecting their first child. By His grace our beautiful Brooklynn Faith was born October 23 at 11:55pm with no complications. We are so thankful the Lord has allowed us to be here in NC for this amazing blessing for our family.

Our prayer request:

For both village churches Tacoaleche and Pozo de Gamboa

For our granddaughter Brooklynn Faith

For the new bible study starting in November

In His Service
