Chipata, Zambia

"But I am poor and needy; yet the Lord thinketh upon me:" Psalm 40:17

We have been overwhelmed with Lord's provision! The past two months have been filled to overflowing with his goodness to us!

We have been at several meetings with some of our supporting churches and have shared what has been going on in Chipata, Zambia. We love when we have the opportunity to praise the name of Jesus for what he is doing in Zambia!

Jan spoke at three ladies conferences in May. She is so encouraged with the ministry the Lord continues to allow her to do. She will be teaching another ladies conference in September in New Hampshire. We have had some

pretty special times with so many people! It is exciting to see where the Lord takes you when you follow his

guidance. It is good to be God's child!

We have joined in on Life Groups with our church, which are Bible Studies hosted at various homes, for the purpose of encouragement, accountability

and bible study. It is wonderful to see our sending church excited and passionate about the business of God! In July there is a week long VBS called "Summers Best Days", and while I will be recuperating from my foot surgery, Janice and Savannah will be volunteering as a Craft Leader, and "CIT" (counselor in training).

Please continue to pray for Zambia. The rains were very low this year which means harvests will be low. Most of the people are subsistence farmers, and this means many, many will be lacking food well before the next harvest season. It also means power for the nation will be reduced, and already or partners in the field are telling of daily power outages of 5-8 hours every day. Pray for leadership for the churches in Malongwe and Chinjala villages, and also that the people of these churches would be moved by the Lord Jesus Christ into a closer walk with him.

Thank you for your continued prayers, encouragement and support for our family, as well as the ministry in Chipata! God Bless YOU!

PRAISES

- We have a home RENT FREE to stay in until we return to Zambia in October. Thank You LORD!
- The Ladies Conferences in New York, New Hampshire and Georgia went very well.
- We were able to spend time with the "First" set of newlyweds in Virginia. It was great to help Olivia and Anthony get settled into their new home!
- We have had several meetings to update and present our work on the field. This wasn't initially part of the plan as our time was expected to be short, but thankful for these opportunities.
