

Christmas Greetings

October - December 2017

Dear Pastor and Church Members,

Last October, my wife Vicki flew to Wisconsin for Deaf Ladies Baptist Retreat. She was on board and was asked to speak about "Mustard Seed Faith – Hard Times." She wasn't feeling great. Then Friday night she was having a hard time breathing, so she was taken to the ER to find out what was wrong.

I decide to fly Saturday morning to be with my wife. It was a very scary time for a couple of days because she was in so much pain. The doctor couldn't figure out what was wrong. It was Saturday evening. The G.I. doctor finally figure out she had two ulcers in her small intestine. She is improving now from her ulcers.

We had a booth at the Atlanta Area School for the Deaf in November (average 200 deaf students). We gave out tracts and camp information. Our church had our Thanksgiving potluck in November on Sunday, and we had ten new visitors.

We are very thankful for your prayers and support for our ministry to the deaf.

We wish everyone a Merry Christmas and a Happy New Year's Day.

In Christ's love,

Bruce Kelly & family
