REACHING HEARTS IN TAIWAN

Chinese New Year

This month, Taiwan celebrated Chinese (Lunar) New Year. This is a very special “Christmas-like” holiday for Taiwanese people, but it is also a very spiritually dark time as many seek fortune for the new year by going to temples and sacrificing to the spirit world. Many businesses open their doors after the holiday with fireworks outside their front door to attract good fortune and good spirits. Many families can be seen offering god money and food offerings to the spirit world as well (*pictured: far left are our neighbors, Ben & Yvonne who we are trying to reach with the gospel outside Ben’s business*). Our church was busy “redeeming the time” through a neighborhood wide canvassing project in which we passed out thousands of special brochures that showed the incredible connection between the Chinese New Year “ghost” story and the Passover story in Exodus. We had some great connections made from this outreach project. Please pray that God continues to work in the hearts of the Taiwanese people and we are able to reach them with the gospel!

We are also excited to share that God has blessed us with our second child due September 2018. (*Adeline is excited to be a big sister and wants to share a picture with you.*) So far, both mommy and baby are in good health and all is well. Please pray for both of them as they continue through the pregnancy.

Another Step Closer...

Last month, we introduced Jeff. I wanted to share that we have had some progress with this young man who has been coming to our English outreach on Friday nights. He has identified himself as an agnostic who has an interest in all religions. He has recently reached out to me personally and asked if we could spend some more time together talking. We believe God is working in his life as a result of us praying together for his salvation. Please continue to pray for Jeff, that God would illuminate his heart and mind to understand that Jesus is the only way!
