A Year in Review

Our God is always good and we have seen His hand working in our lives this first year on the mission field. We are blessed to be surrounded by a great group of missionaries on the island of Taiwan and have been able to make connections with many of them. We have been able to participate in nationwide meetings like camp, been able to help local outreaches like our summer english camp, and been able to personally testify of the gospel through many relationships like Yuyi and others. After a year of language school we have been able to increase our autonomy and explore many parts of the city of Taipei with our family. God has blessed us with ministry friends and even given us the ability and opportunity to minister in the local church each week in a variety of ministries. We ask you to pray with us that this next year God gives us opportunity to increase our language ability, make new friends and contacts, and win souls to Jesus!

Summertime Fun

Summer is already underway and the heat is rising in Taiwan! After much planning and preparation local churches from around the island are preparing youth camp in south Taiwan held in partnership with the Wilds camp ministry from the USA. We look forward to sharing this experience with you soon. In our area of Xinzhuang, we are preparing our 2nd annual Summer English Camp hosting 25 students and families for week of VBS styled summer fun. Please pray with us that we are able to reach new families and that several would come to faith in Jesus.
