Springing into Action

This month started with an incredible blessing as we celebrated Easter with the church here in Xinzhuang. After weeks of our canvas project preparations, God blessed us with over 60 people attending our Easter worship service with over 30 of them being first time guests! Following our services we prepared a great time of food and fellowship with the kids having fun collecting Easter eggs in the park behind our church location.

Following our Easter celebration, our missionary partners returned to the USA for a few months of furlough. We have recently been preparing to take the roles of leadership here at Hope Baptist Church and each week God continues to give us the extra grace we need to head up our weekly English outreach, prayer meeting, and Sunday services as well as continue our daily routine of language school. It has also been a blessing to see many of our brothers and sisters here at HBC take up some of the responsibilities each week as they serve in this church plant.

We are also beginning preparations for our second Summer English Camp this July. Last year we had a tremendous success connecting with dozens of new families and their children. We are already seeing a great interest in our event and ask that you pray with us that new families will come to Christ.

The World at Your Door

God brought Yuyi into our lives a week before Easter. She is a Japanese worker who is also in Taiwan learning Mandarin at our language institute. We have had the opportunity to build a friendship with her and invite her over to our home for some meals and conversations. The last time we had her over we were able to explain to her the message of the Bible and more importantly the Gospel. Yuyi listened intently as the gospel was presented to her for the very first time. Please join us in prayer for the salvation of our classmate Yuyi and for wisdom as we continue to minister to her.
