Ministry Update

Isaiah 6:1 *In the year that king Uzziah died I saw also the Lord sitting upon a throne, high and lifted up, and his train filled the temple.* I started reading the book of Isaiah earlier this year because I want to have the same view of the Lord that Isaiah did as he describes the beauty, the power, the holiness, and the grace of God! How majestic our Lord and Saviour is!

Our trip to Pennsylvania was very encouraging. Pam spoke at the ladies' conference and one of the ladies that went with us from Aklavik shared her testimony as well. I was invited to preach the first Sunday evening service and had great liberty to preach and share our burden for the many other communities around the Canadian Arctic that have no church or gospel witness. Luke 10:2 *Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.* Over the two Sundays we were there Pam was invited to teach and both ladies from Aklavik were invited to share testimonies and answer questions in the ladies Sunday school class.

We have two families in church that have made the decision to homeschool their children this year. This is a big step for them. We have been able to help and encourage them in getting their curriculum and other details that are required by the government here. We praise the Lord things are going well for them. Please keep them in prayer

December is always a busy time in the church and community. We will be having a special service on Christmas Eve. In January our Winter Bible Conference will be the 13th to 20th. Bro. Wes Tayloe, Assistant Pastor at our sending church, will be our preacher for the week.

We are planning a furlough from February to June 2020 and look forward to being able to see many of you then. If you would like us to come and report back, please contact us. Pam and I thank each of you for your prayers and support for our family.

Family Update

We had a great time in KY visiting the Ark Encounter and Creation Museum in August! Along with those from Aklavik that traveled with us and some friends from Grace Bible Independent Baptist Church in PA; Cory, Shelley, Annah, and Andrena were able to spend some time with us there also. Matthew had to stay in Guam to prepare for the upcoming school year, but the Lord provided for Pam and I to be able to travel to Guam in November and spend US Thanksgiving with he and Annah.

Pam and I have made some big changes in our life with our diet and exercise. As of mid October we have lost over 100 pounds combined with more to go! We not only feel better but have more energy and strength to serve the Lord.
