Reviving Baptist Churches
(A CHURCH RESCUE MINISTRY)

April, May, June 2018

Dear Praying Friends,

Greetings in the precious name of our Lord and Saviour Jesus Christ. I want to praise his name and thank him for His call to the Gospel ministry. I have been with Macedonia World Baptist Missions for 34 years this month and we have seen God do some wonderful things and is still at work. So many years ago God put this verse on my heart for my life verse. It is Titus 1:3 "But hath in due times manifested his word through preaching, which is committed unto me according to the commandment of God our Saviour."

We have been at this new church in Sturgis KY for 6 months now and we are starting to see some answers to prayer. We have had a family of four visit our Sunday services three weeks who were invited by one of our members. They live here in Sturgis but have been going to a church eleven miles north of here. The man works in a coal mine and was invited by our member who also works with him. They have two well behaved pretty little girls. Pray for the Wilson family. It has been hard to get our people out on visitation but last Saturday one of our deacons went with me knocking on doors. Sunday morning one of our visits was fruitful and a lady came as she said she would. I like it when people do what they say they would do. Pray with me that this will be contagious and others will come out as well.

I am a veteran and I have successfully transferred my account from Atlanta to Evansville In. which is the closets VA facility. They sent several forms to fill out, one of which ask some personal questions about smoking and drinking. I answered them truthfully and said that I quit both in 1974. The Doctor was very interested and asked me what life changing experience I had in 1974. What an open door the Lord gave me that day. I said that was the year that I got saved. I got to witness to him, give my testimony and quote scripture to him. He listened very well asking question along the way. He said several times when I had answered his questions, "I can't say that I disagree with that." It was a great opportunity to share the Gospel and he took my tract and said he would read it. Pray for Dr. Kim. Most doctors cut you off quickly when the Gospel is brought up. Thank God for the help of the Holy Spirit to speak to this man in need of salvation.

I want to thank you for your prayers for us and the financial support as we labor to help struggling churches. There are so many churches that need help but can't afford to pay a salary. Keep looking up, He is coming soon.

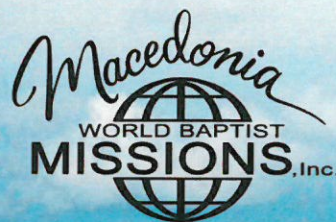

In His service,
Bro. Nye & Sister Dee
