February 20, 2018

*To all our Supporters, Prayer Partners, Family and Friends;*

*WOW! Between sickness and trips to the Bahamas, this has been an extremely busy two months and this month isn't even over yet. The first of January we took several trips to Ragged Island taking food and much needed water. Many of the homes were destroyed including our church. Those that were not destroyed had heavy roof damage including the water filtration plant, putting it out of service. Through all this I caught the "crud bug" that laid me low for three weeks.*

*Classes were held in our Bible Institute on Great Exuma and Long Island the end of January. Our teachers did a great job teaching "Bible Doctrine I". We had seven (7) students register for credit and 10 in attendance on Long Island and ten (10) register for credit and 21 in attendance on Great Exuma. It is an encouragement to see the eagerness and hunger for God's word. I anticipate that classes will continue to grow on Great Exuma. We are hoping to resume classes on North Andros in May but a meeting to promote those classes was canceled. **PRAY** for North Andros as we sense a real opposition in that area.*

*Last week I flew a team with representatives from three different areas to survey the devastation on Ragged Island and discuss the rebuilding of the church. **PRAY** with us for direction and wisdom as it will be costly and require many work teams and much materials AND to be able to balance time between it and the Bible Institute class.*

*On a personal note: Sharon's aunt in Minnesota just passed away. She was very close to this aunt and uncle and is planning on going there for the funeral. **PRAY** for safety and direction.*

*Thank you for your faithful financial and prayer support. We praise God for a new church adding to our support as it was much needed and an answer to prayer.*

*Co-laborers in Jesus Christ,  
Dave and Sharon Spangler*
