August 5, 2018

To all our Supporters, Prayer Partners, Family and Friends;

This summer has been all about restoring lives and houses on Ragged Island. To date we have been able to restore four houses to livable condition and encouraged the families. It is all about showing the love of Jesus Christ and that we live the life we preach and teach. PLEASE! We are looking for men to come and help. We are planning on going back the last week of this month and the last two weeks of September. If you can put together a team of two, three or four for any of those times contact me and I will fill in the details. Water has been restored and the lodge is in livable condition where we can stay.

Since our last trip, I have been overhauling the engine on our airplane. Examination of the records showed that the magnetos were well past due for replacing besides three of the six cylinders. While I am at it I am taking care of some cosmetic things and adding an engine analyzer. The work should be completed next week and will put the airplane in top notch condition.

On the home front, our pastor at Spring Lake, left the end of June and I was asked to be on the pulpit search committee. SO, we are looking for a new pastor, 35 to 50 +/- with experience. If you know of anyone looking for a church have him contact me. We have a good Interim Pastor filling in for now.

*Health wise, Sharon continues to have her ups and down, but mostly up. Also we **PRAISE** God, He has provided a renter for the house in the Bahamas, with the anticipation that it could sell to a developer. **PRAY** with us in that regard and for safety as we fly and work on Ragged Island.*

Co-laborers in Jesus Christ,

Dave and Sharon Spangler
