Reaching The Bahamas

For Jesus Christ

To all our Supporters, Prayer Partners, Family and Friends;

WOW! I am trying to catch my breath. This has been an extremely busy past few months but very rewarding. From rebuilding lives and homes on Ragged Island, Bahamas, to helping with hurricane relief in both North Carolina and North Florida. And then another teaching tour in the Bible Institute.

To date we have been able to make three trips to Ragged Island with work teams. We are making an impact on lives as they see the demonstration of God's love that we have taught and preached for many years coming to reality in our works. So far we have completed four homes to livable condition. We are also seeing the people come together to help alongside which is something that has never happened before.

In-between the Ragged Island work we were involved in the relief effort right here at home. We flew a load of food and water to Calvary Baptist Church in North Carolina. Then Hurricane Michael hit the Panhandle of Florida creating great devastation. We were able to load a 26 foot U-Haul truck with food, water, tarps and tar-paper and took them to Light House Baptist Church in Panama City Florida. They were the main distribution point in that area. From there we went up to Grace Baptist Church in Quincy Florida and helped with their food distribution.

Next it was time for the quarterly classes in the Covington Bahamas Bible Institute. I just came back from a week of teaching on two different islands, Great Exuma and Long Island. We had a total of 25 students hungry for God's word. We started the first phase on the book of Romans covering chapters one through eight.

All of this was made possible only by God's Grace. He has been the sustaining factor, keeping us safe as we traveled, and meeting our every need.
TO GOD BE THE GLORY, GREAT THINGS HE HATH DONE
